

# Discussing the Facts

## Men's Health - Everything You Need to Know About Your Prostate

WEDNESDAY, JUNE 29 | 7 TO 8 P.M. | *Free Zoom Webinar*

*Sponsored by New Morning Star Baptist Church and Sibley Senior Association*

Curtiland Deville, M.D., medical director of the Johns Hopkins Proton Therapy Center and associate professor of Radiation Oncology and Molecular Radiation Sciences, will discuss how the prostate functions and how to keep it healthy. There will be time for questions and answers.

**Welcome and program introduction:** Reverend Dr. Donald K. Sadler, pastor of New Morning Star Baptist Church

**Speaker introduction:** Marti Brown Bailey, B.S., C.S.A., C.D.P., C.A.D.D.C.T., director of the Sibley Senior Association and Community Health, Sibley Memorial Hospital

**Guest speaker:** Curtiland Deville, M.D., is the medical director of the Johns Hopkins Proton Therapy Center, clinical director of radiation oncology at Sibley Memorial Hospital, co-director of the Johns Hopkins Kimmel Cancer Center Prostate Cancer Multidisciplinary Clinic at Sibley Memorial Hospital, and an associate professor of Radiation Oncology and Molecular Radiation Sciences at the Johns Hopkins University School of Medicine. Dr. Deville is an expert in prostate cancer management and a leader in several institutional and national clinical trials. He treats genitourinary malignancies, including prostate cancer and is dedicated to creating individualized treatment plans for each patient through a shared decision-making approach.
